

THE BIJA PROJECT

Afterschool 2019 — 2020

Our after school program is designed for children ages 3 - 5 years old in a mixed age group classroom. We believe in the fundamental importance of play, experimentation and creative expression and know that children thrive when surrounded by adults invested in helping them actualize their greatest potential.

Each afternoon includes child directed play, a healthy snack, and weather permitting, time outdoors. Families have the option to add daily specials to the schedule including yoga, theater, music and science.

We offer pickup from PS 9 and PS 11. Children can also be dropped off at Bija for specials or for the entire afternoon. Afterschool hours are 2:30p - 6p.

We are the The Bija Project, a socially minded organization promoting love, justice, and inclusivity through a radical approach to education and community building. Our diverse group of educators, farmers, artists, and neighbors work together to educate families and foster a love of people, community, the arts and the world around us.
